**CORE SCRIPTURES:** Genesis 2:16-17; 3:4

**NOTES:**

Adam and Eve – The Choice Between God's Truth and Satan's Lies (Genesis 2:8-9, 16-17; 3:4)

Jesus Gives Us the Choice Between Eternal Life and Death (John 3:16; John 14:6)

Choosing What's Right Every Day – Examples: What Will You Say When You're Angry? Will You Lie or Tell the Truth? (Ephesians 5:25-32)

## **HOW TO CHOOSE GOD'S PATH**

1. Decide now that you will always believe God's warnings and promises
2. Decide now that you will always do what God says is right
3. When you're tempted to do wrong, stop and think about what God says about the choice, remember what the wrong choice cost Adam and Eve, and choose to do what's right

## **What Will You Choose?**

Each day we face a simple choice  
For darkness or for light,  
For life or death, for truth or lies,  
To do what's wrong or right.

In Eden, too, the choice was made  
To trust the Lord or not;  
They ate the fruit, chose death and pain –  
And that was what they got.

But Jesus came and took our death  
To offer life once more;  
Now you must choose it for yourself  
For He's the only door.

And then each day we face a choice  
Of who we will believe –  
God leads us right and offers life  
But Satan will deceive.

So choose God's path and trust His Word  
To guide you in the light;  
In time you'll find that in the end  
The Lord is always right.
